

Dear Community Partner,

Forget the chicken dinner and fancy duds. Inspiring Minds wants to put casual *fun* into its *fundraising* event next month by staging a Trivia Night at one of the state's new craft breweries.

Our mission, of course, is far from trivial. Inspiring Minds, a nonprofit, sends nearly 500 tutors and mentors into Providence classrooms to help children grasp basic math and reading skills. Your support will allow us to expand our reach, strengthen our training, and recruit more volunteers.

On Trivia Night, teams of no more than six members will compete to find out whose brains are the most cluttered with sports heroes, science facts, movies, current events, history and all kinds of cultural tidbits.

One team will emerge as Rhode Island's 2018 Trivia Champions. We also hope to instigate some internal rivalries among sponsors. Which law firms, public relations agencies, banks, craft brewers, or techies have the best trivia chops? We guarantee bragging rights for winners and the funniest prizes we can dream up.

The event will be at The Guild, a craft beer co-op, at 461 Main Street in Pawtucket, Wednesday, May 30. Festivities begin at 6; the trivia competition starts at 7. For sustenance, there will be a cash bar so guests can try a selection of craft beers and a popular food truck.

Please consider an inaugural sponsorship of what could become the state's most fun annual fundraiser. We can think of no better investment than helping to prepare urban children for an ever-changing future.

Thank you,

Carol J. Young, event committee chair
